FOR IMMEDIATE RELEASE

URADICS becomes members with Computer Society of India

URADICS is very proud to be associated with such a unanimous industry association. Computer Society of India is an industry body where IT professionals meet to exchange views and information and also to share and learn ideas.

Being a finishing institute it becomes very important to be associated with CSI as it gives URADICS access to the valuable resources of CSI and also provide direct insights of what the industry currently demands and also its future trends.

“Membership with CSI provides URADICS direct access to its peers and it also keeps us updated on the current and future industry demands, so that we can pass over this unique advantage to our students.” says Pulkit Agrawal, Director URADICS.

About URADICS

URADICS, an IT finishing institute provides high-end training in verticals related to IT, to make the students employable. Driven by high demand in the current industry; URADICS’s innovative methods of grooming also promises a progressing career for its students and steady supply of skilled manpower.
