FOR IMMEDIATE RELEASE

URADICS becomes members with NASSCOM

NASSCOM is an industry association of software and service companies. URADICS is very proud to be associated with such an undisputed industry body.

Being a services oriented company it becomes really important to be a member of NASSCOM. IT industry in the country is on an upswing and it becomes really important to identify the future growth areas and the driving forces as it helps students in shaping their career.

“We are very delighted to become a NASSCOM member. Direct accesses to peers, current and future growth trends, latest industry reports, industry events etc. are some of the key benefits that will be available to URADICS for passing them over to our students.” says Pulkit Agrawal, Director, URADICS.

About URADICS

URADICS, an IT finishing institute provides high-end training in verticals related to IT, to make the students employable. Driven by high demand in the current industry; URADICS’s innovative methods of grooming also promises a progressing career for its students and steady supply of skilled manpower.
